**Alexander Herbert Imich a Polish Jewish - born American parapsychologist, writer, and the president of the Anomalous Phenomena Research Center and Miroslaw Magola alias Magnetic Man in New York City .**

**During the 1920s and 1930s Alexander Imich did some research on a medium, Matylda, for the Polish Society for Psychical Research. He published a report in 1932 in a German journal, Zeitschrift für Parapsychologie.**

**Alexander Imich wrote numerous papers for journal in the field and edited a book, Incredible Tales of the Paranormal which was published by Bramble Books in 1995. He formed the Anomalous Phenomena Research Center in 1999, trying to find a way to produce "The Crucial Demonstration", the goal of which is to demonstrate the reality of paranormal phenomena to mainstream scientists and the general public.**

**In 2012, he began to transfer the records of his research into the paranormal to the University of Manitoba Department of Archives and Special Collections.**
